IN RE: Docket No. 2004-219-E - Petition of Progress Energy Carolinas, Inc. to Terminate Service
Request for Production of Documents Served February 16, 2006

Dear Mrs. Weaver:

We have received your Request for Production of Documents, which you served upon the Commission on or about February 16, 2006.

Rule 34 of the South Carolina Rules of Civil Procedure provides that a party to an action may serve a request for production of documents upon any other party. The Commission, however, is not a party to your dispute with Progress Energy. Rather, the Commission functions essentially as the court charged with the duty of deciding the matter. The Rules do not allow parties to serve discovery requests upon the Commission. Accordingly, this letter will be our only response to your request.

Very truly yours,

Charles L.A. Terreni
Chief Clerk and Administrator
